Summary

2018 IPEDS Graduation Rate 2 00% Component Data Summary

ur institution. All data reported in IPEDS IPEDS collects important information regarding yo survey components become available in the IPED S Data Center and appear as aggregated data in various Department of Educat ion reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator we bsite and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the Data Center and sent to your institution's CEO in November 2018.
