Prepared by

The name of the preparer is being collected so that we can follow up with the appropriate person in the event that there are questions concerning the data. The Keyholder will be copied on all email correspondence to other preparers.

The time it took to prepare this component is being collected so that we can continue to improve our estimate of the reporting burden associated with IPEDS. Please include in your estimate the time it took for you to review instructions, query and search data sources, complete and review the component, and submit the data through the Data Collection System.

Institution: Missouri University of Scie nce and Technology (178411) User Summary

## User ID: 29C0011

## Outcome Measures Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPED S Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website. The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website. College Navigator is updated approximately three months after the data collection period closes.

Please review your data for accuracy. If you after reviewing the data reported on the survey at: 1-877-225-2568 or ipedshelp@rti.org.
