Deliberations

Mission: Determine whether the Respondent is responsible for any violations of University policies and, if so, what sanctions and/or remedial actions are appropriate.

In the room where it happens

Two-Step Process

1. Responsibility
2. Sanctions & Remedial Actions

Standard: Preponderance of the Evidence

Facts: Whether each fact is more likely true than not.

Responsibility: Whether, given the facts found, the Respondent is more likely responsible than not for violating a University Rule.

1 Receive Evidence

1. Before the Hearing

- Read, listen, or watch all the evidence
- Consider what else you'd like to know
- Note issues, but keep an open mind

2. At the Hearing

- Read, listen, or watch all the evidence
- **ASK QUESTIONS**
- Note issues, but keep an open mind

2 Responsibility

1. Find Facts

- Credibility
- Incomplete information (did you ask questions during the hearing?)

2. Apply Facts to Policy

- Consider each element of the policy
 - Quid Pro Quo – An **employee of the University** **conditioning** the provision of an **aid, benefit, or service** of the University **on an individual's participation in** **unwelcome sexual conduct** . CRR 600.020(B)(1)(a)
- If found facts supporting each element of policy by a preponderance of the evidence, find responsible.

Sanctions & Remedial

1. Sanctions:

- Applies to the Respondent
- To prevent and eliminate impermissible discrimination and harassment in our educational programs, activities, and employment.

2. Remedial Measures:

- Applies to the Complainant
- To address the effects of the violation(s) of the University's Anti-Discrimination Policies on the Complainant.

Sanctions: Factors to be Considered

1. Nature, severity of, and circumstances surrounding the violation
2. Disciplinary history of the Respondent
3. Need for sanctions to bring an end to the conduct
4. Need for sanction to prevent future recurrence of the conduct
5. Need to remedy the effects of the conduct on the Complainant or University community
